Effortless Beauty

Delicate, balanced and fresh.

Your step-by-step to a simple look for any occasion.

Prepare your complexion with the appropriate **Foundation** for your skin tone. Apply **Colour Correcting Powder** and **Light Reflecting Concealer** over the Foundation. Use **Brow & Lash Gel** to shape the eyebrows.

1.

Apply **Eye Definer 04 Green** to the movable eyelid as a base coat, gently blending it in.

2.

Apply the darkest shade from the **Eyeshadow Trio 02 Jade** to the outer corners of the eyes, both top and bottom.

3.

Apply the middle shade from the **Eyeshadow Trio 02 Jade** to the centre of the movable eyelid.

4.

Apply the lightest shade from the **Eyeshadow Trio 02 Jade** below the eyebrow arch.

5.

Thicken the lashes by drawing a fine line of **Liquid Eyeliner 01 Black** along the very edge of the upper lash line.

6.

Apply **Defining Mascara 01 Black** to the upper and lower lashes.

7.

Mix the two shades from the **Blush Duo 03 Sun-kissed Nectarine** and apply to the upper cheekbones using circular motions.

8.

Add a hint of colour to the lips with **Sheer Lipstick 05 Zambra**.
